

Who's New In Vermilion Township

Sometimes it is important to remember all the good things that are happening around us in our community.

The Vermilion Township Trustees would like to share some good news from time to time, and to do that we need your help.

If you are a township resident and you have recently welcomed a new member into your family tell us about it in a text or email to any of the trustees. We will need the name of the new baby boy or girl and the names of the proud parents or grandparents. During the regular meeting announcements, we will mention the newest member of your family in our meeting and memorialize it in our meeting minutes record.

Just our way of saying Hello! And Welcome to our Township.

Kenneth M. Baughman, Don R. Rowe and Kurt W. Johnson,

Your Vermilion Township Trustees
