## For Vermilion Township (12) and Erie County, Ohio. New Hotel Excise Lodging Tax Form remittance requirements.

Effective immediately: ALL Vermilion Township (12) businesses are now required to report revenue using the new tax form titled, *Vermilion Township (12) - Township and County Lodging Tax Return*.

### WHAT IS NEW:

Erie County and Vermilion Township-District 12 businesses now have the ability to report revenue using the new forms with the **option** to submit for either **Quarterly or Monthly**. Both new lodging tax forms have already been enabled for District 12 accounts (**Jan. 2025 - Mar. 2025 Quarterly or Mar. 2025 Monthly**), for which taxpayers are required to begin submitting by Apr. 15, 2025. It is important that either prior or following this submission, Localgov is informed of the filing **option** selected so that the **“Form Remittance Requirement”** can be updated for future filing requirements, and to prevent receiving delinquency notifications.

*Please note;* The new form replaced the previous form titled *Erie County Lodging Tax Return – General (All Other Districts)*, for which access has been disabled to prevent any errors for submitting the incorrect lodging tax form.

If you have any questions or need assistance, please contact Localgov at **877-842-3037** or email us at [service@localgov.org](mailto:service@localgov.org), and our Customer Service Team will be happy to assist.

Sincerely,
