Hello Friends!

It is that time again! Erie County Children Services is preparing for the Holiday Season!

In 2022, Children Services was able to provide Christmas gifts for over 370 children because of this community's generosity. This year we are hoping to again assist the families we serve. We are turning to you, our community members, to help us with this large task. Many area businesses and individuals donated last year, and we are hoping that the same thing happens in 2023. We cannot do this without you! We know that it takes planning to provide financially, which is why we have sent this letter out so early. I have enclosed a flyer that will explain how you can become involved. We are hoping that by planning in advance we will be able to provide a memorable holiday season for the children we work with. In addition, we would like to continue to be able to assist with camps, extra-curricular events, and other positive activities for children to engage in throughout the year that could not otherwise happen without your help. We are happy to answer any questions or discuss any ideas that you may have.

Please feel free to contact Michelle Schultz at (419) 627-4489 with any questions.

Sincerely,

AJ Lill
